Despite great care being taken by our suppliers, our boneless menu items may still contain bones. Items from our Vegetarian Collection menu are cooked and prepared alongside our chicken and meat products so we cannot guarantee against cross contamination. Some ingredients come from factories where other allergens are present and therefore our dishes may contain traces of any of the 14 allergens. If you have a food allergy or intolerance, before ordering please ask us about allergens in our food. Please do this every time you order, as allergen information may change. Adults need around 2000 KCal a day.
